

sarabande

Fast and erotic. Stately and decorous. These are words used to describe the dance known as the Sarabande. Originating in the 16th century, the descriptions of this dance equally apply to our Russian River Chardonnay. Lovingly hand-crafted in French oak puncheons, barrels, and a Nomblot concrete egg, this chardonnay shows profound depth, concentration of fruit, balance and mineralité - all the characteristics that you would expect from a really great chardonnay. Dare to dance the Sarabande.

Dare to drink it!
